OFFER OF A FALLOW DEER HUNT (SLOVAKIA)

Place:

- Hunting grounds within the whole territory of Slovakia. These are the grounds in the use of LESY SR, š.p. and excellently-gamed private grounds. The grounds are mixed (approx. 50% of the forest with a dominant representation of oak). The trophy quality of most fallow deer ranges from 3 - 4 kg (180-210 CIC). The antlers of fallow deer living here are characterized by a beautiful dark color, they are very indented and especially significantly lighter than the antlers of fallow deer living in other localities (the same antlers in volume are about 20% lighter).

Time:

- Rutting season - October (the peak of the rutting season – October 15 - 30)

Methods of hunting:

- Hideout hunting, stalking

Price list of the shooting:
