# OFFER OF A COMMON DUCK HUNT (HUNGARY)

## Place:

• Hunting grounds Karcag – Apavár in the use of the company NEFAG Zrt. (Hungarian state woods). The grounds are very well gamed, especially by small game. About 2,600 pheasants and roughly 3,000 wild ducks are caught a year (wild population and semi-wild breeding). The game bag of the wild ducks depends only on the shooting skills and financial possibilities of the hunting guests.

## Time:

• September – December (we will agree on a specific date according to the time possibilities of the hunting group)

Number of shooters: 4 - 8
