

## OFFER OF COMMON HARE, PARTRIDGE AND PHEASANTS HUNT (HUNGARY)

### Place:

- **Hunting grounds in the counties Békés and Jász – Nagykun - Szolnok.** The population of partridges and pheasants comes from semi-wild breeding and they are beautifully feathered and excellently flying individuals. The hares come, of course, from purely natural breeding. According to the results so far, the game bag of about 10 -15 hares, 15 pheasants and about 5 partridges per shooter per day can be expected.

### Time:

- September - November

**Number of shooters:** 8 - 15

**Methods of hunting:**

- bushing (the shooters along with the drivers pass along the coppices or small fields in search of game, another group of shooters sets up ahead and hunts the fleeing game), or rough shooting (a group of shooters passes through the fields, while another group of the shooters (those physically less able) are situated at the front of the drive),

**Price list of the shooting:**

- hare – EUR 50 - 75 /piece (depending from the particular grounds), pheasant – EUR 16 - 19 /piece, partridge – EUR 30 - 35 /piece,
- possibility to buy the game: EUR 5 /hare and EUR 2 /pheasant or partridge,
- for a fee of EUR 1 / piece it is possible to have the game plucked / scraped off and for also EUR 1 it can be cooled and vacuum-packed,
- each of the guests pays for the game he catches
